Thanks Jayne for forwarding. As I mentioned, if appropriate and logistically feasible, I'd interested in participating by phone for some or all of the meeting. All of those suggested dates generally work for me with a 1hr meeting here or there. Keep me posted and if there is par that would be more useful for me to call-in for than others.

Subject: next discussion on the CZARA Forestry issues

Kyle Abraham, ODF, and I have identified potential dates for our next discussion on the CZARA forestry issues. The next meeting will likely be at ODF's facility in Salem. The proposed meeting dates are:

- 1) April 8th – PM
- 2) April 10th – anytime
- 3) April 13th anytime; or
- 4) April 15th anytime.

Please let me know what dates and specific times work for your schedules. We are expecting that folks from Seattle would be conferencing in for this discussion.

We are also talking about having a field tour to review how these issues work in practice. That tour could be as early as April 15th but it might be difficult to pull off that quickly. Please let me know if you would be interested in participating in such a tour.

If you have any questions, please give me a call.

Alan
